The DALY CITY RECORD and Daly City SHOPPING NEWS Reach 45,000 People Every Week in Daly City, Colma, Broadmoor, Garden Village, Buri-Buri, Southwood and San Francisco.

PUBLISHED THURSDAY — DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, JULY 14, 1949 — VOLUME 46, NUMBER 24

BASEBALL SCHOOL -- PET SHOW ON RECREATION PROGRAM HORIZON

Next week school starts at Jefferson High school, and chances are no one will be playing hookey.

Beginning at 9:30 a. m., and running until noon on July 21 and July 22, teachers will be members of the San Francisco Seals and courses will be listed under "Baseball." This will be the baseball school, a part of Daly City's summer recreation program.

Teachers at the school will include Con Dempsey, Reno Cheso, Roy Jarvis, Steve Nagy, and Al Fioresi. Other members of the Seals are also expected to be on hand.

Classes will handle every facet of the horse hide from fielding to batting. Movies will also be shown at the conclusion of the lessons each day.

All interested players and fans are invited to attend. There will be no charge.

And in case baseball isn't of interest to the reader, there will be a pet show July 22, 10:30 a. m. on the Jefferson High school football field.

Although it's called a pet show, the animals will be in competition with several other events. These will consist of everything from a bubble gum contest to a tug-of-war.

Anyone with a pet is asked to enter the Friday show. Any type of pet from a dog to a bug may try for a prize. Prizes will be given in almost every category. However, the large general awards will be for: best costumed pet, most unusual, biggest, smallest and prettiest.

The pet show will be a treat in more ways than one. Top prizes will consist of candy. Ribbon awards will be given the best pets.

Any boy or girl from two to 21 years of age may enter an animal.

In case anyone has forgotten, tomorrow, July 15, is the day of the track and field meet at Jefferson High school. This gets under way at 10:30 a. m.

Museum minded boys and girls will have an opportunity to attend the Junior Museum, 600 Ocean avenue, next week. Interested parties should contact their various playground directors for the time of this trip.

With folk dancing rapidly coming into popularity, the recreation department now offers classes for

(Continued on Page 6)

Woman Starts Auto With Push; Car Puts Her In Hospital

Attempting to start her car with a push July 5, Mrs. Louise Sima, 153 Alexander, not only started the vehicle but also broke her ankle.

The car, parked near the home of Mrs. Erich Diebel, 353 Bellevue where Mrs. Sima was visiting, began to roll. Mrs. Sima attempted to open the door, and was thrown against the curb. The force of the thrust broke her ankle.

As for the car, it went a few feet and came to rest against an opposite curb. Which was doubly lucky, as in the automobile was Mrs. Margaret Harper, 417 San Diego avenue.

Park Project Now Underway As City Looks To Future

There soon will be a small city park at Niantic avenue and Citrus avenue.

Work began this week to landscape the city property at this corner for park purposes. The approximate 50 square yard area will be open to all the public.

This action is part of an overall general plan to establish more parks and a Memorial Community Center in Daly City, Mayor Paul Green said.

Sometime this fall the city plans to submit a bond issue for the public's approval. The bond issue will pay for the proposed new park sites and the Memorial building.

Meanwhile, another development received impetus when Mayor Green reported that Stoneson Brothers had agreed to donate a lot for recreation purposes. The lot is between East Vista avenue and Garwood Drive.

CITY COUNCIL SEEKS ARCHITECT FOR PROPOSED WAR MEMORIAL BUILDING

Brief was the word for the city council meeting Monday night.

The meeting was adjourned early, to be continued next Monday evening, so city officials could meet with school board members. But there was time for city leaders to hear and pass some resolutions and recommendations.

It was asked that a committee be selected to recommend an architect for the proposed new War Memorial building. The presence of Mayor Paul Green, Councilmen E. J. Mooney and A. J. Gaggero solved the problem of selecting a committee. The three will make the selection.

Acting poundmaster Peter Bordson was made permanent poundmaster upon a recommendation to this affect by Police Chief W. W. Sunderland.

The council also heard the recommendation of the civil service board of review that city officials under civil service receive certain established salaries for the fiscal year. The recommendation was approved by the council.

Some of the salaries per month include: Chief of Police, $400; Sergeant, $330; Building Inspector, $350; Water Superintendent, $400; Assistant Superintendent, $330.

A proposal by the Daly City recreation commission that the city create an official recreation commission was heard. The proposal, along with a recommended ordinance was referred to the ordinance committee.

CHURCH PLANS BUSY WEEK

This has been and will be a busy week for the Grace Presbyterian church, Hanover and Evergreen. Every Wednesday, 10 to 11 a. m., the children have their own mid-week hour. On Sunday, July 17, Miss Marian Walker from Lebanon, Indiana will be the guest soloist: Members and families of Circle No. 5 will have an opportunity Thursday, July 21 to spend the day at Muir Woods.

Street Signs Go Up— Blood Pressure Down

Although it may mean the end of the Boy Scout compass in Daly City, work began this week on clarification of city street names.

Laborers were busy putting in steel poles at every intersection. By September or October the poles will be topped by white signs which will clearly name the respective street in question.

More than 250 intersections will be so identified. While this will cost the city an estimated $2,500 it will be well worth it to travelling citizens with quick tempers and high blood pressure.

Picnic For Eagles To Be Held Sunday At Skipper's Park

Pack the food basket, pile the kids in the car and come to the annual Colma - Vista Grande Eagles Picnic Sunday, July 17.

Skipper's Park on Searsville Lake, San Mateo county will be the scene of sack races, hot dogs and band music this year. All Eagles and their friends are invited.

While the time for the outing is when the car arrives at the park, a caravan of autos will line up on Hillside Boulevard, off Mission street, at 9:30 a. m. Members without the benefit of gas engines will assemble to ride with mechanized Eagles.

Those who have space in their cars are asked to contact Roy Allain, DE 3-0493 or Tom Rae, JU 4-1610.

In addition to the usual picnic events, there will be a fat man and fat ladies race. Pie eating and drinking a popular beverage thru a baby bottle and nipple will also add to the fun.

The Eagles' Haywire band will furnish the music. Ice cream, hot dogs, and drinks will be sold by the Ladies' Auxiliary.

REHE GETS CAR, EXTENDS INVITE TO NIGHT GENTS

In need of more horse sense and less horse power last Friday was Frank Rehe.

Although as manager of a service station, 6200 Mission, Rehe sees new horseless carriages every day, he was nevertheless dumbfounded when he took possession of a new car, Friday.

Anxious to have his spouse ride in the 1949 gas burner, Rehe forgot all in a rush to get home.

In fact he forgot so much that Gene Lynch and Tom Mitchell, monsieurs of the Club Casino, called the police station. Immediately an officer was dispatched to Rehe's station where he fixed fast a large trusty padlock.

No, the store hadn't been condemned. It had just been removed from a burglar's evening program. For Rehe had left the "barn" unlocked in his hurry to drive Henry Ford's answer to "Old Nell" home.

Grimes Returns From Cowboy Meet To Tell Of Texas

With memories of a cowboy reuion, Harry Grimes is back from the land of cattle, chiggers and corn whiskey today.

Standing behind the counter of his Hillside Paint and Color store, 431 Hillside, Grimes reminisced about the territory known by Gene Autry fans and geographers as Texas.

"Just like everything in Texas, the roundup is of the biggest and best in the country," Grimes observed. "It's put on every year by cowpokes from about 25 ranches around the town of Stamford."

Held each year from July 1 through July 4 the reunion is one big rodeo. But it differs from most horse shows in that all of the riders are seasoned cowboys who draw their weekly pay check from ranches and not from professional rodeos or Hollywood.

Grimes had more than a spectator's interest in the show.

"I was born in a saddle and punched cattle around Childress, Texas until I was 19 years old," Grimes noted.

Upon reaching his majority, Grimes committed the greatest error in the eyes of citizens of the Lone Star state—he left Texas.

"My uncle was a house painter, and he gave me the desire to go into the business."

So in 1936 the Texan came to Daly City where he opened his present business. And about the only thing close to Grimes' past occupation and his job today is the name of a horse who rides through an old ballad. They call the horse "Old Paint."

BETTER LIBRARY SERVICE COMING

Better library service for Daly City was given a boost Wednesday by the county librarian and city officials.

At that time, Clara Dills, county librarian, agreed to more than double the county's contribution towards librarians' salaries, Mayor Paul Green said. She also agreed to provide more books and services to the north end library.

The discussion was the outcome of an inquiry by Mayor Green as to the distribution of library tax money. Earlier he reported the county was collecting $4,500 in library taxes in Daly City. Only $600 of this sum was returned to the area.

Under the new arrangement a more equitable distribution of tax money is expected, Mayor Green said.

Edgewood Group Holds Meeting

Election of three additional officers was the principal business of the first regular meeting of the Edgewood Terrace Civic Association July 12.

The new officers include: Vincent Moran, vice president; Dell Wilson, treasurer; Gullrich, Long, Bunkley, Miller, Ward, (no first names given) board of directors.

It was decided that meetings will be held on the last Tuesday of each month at the council chambers in the City Hall. ues were set at 25 cents per month per person.

About 50 people were in attendance at the last meeting, which saw the articles presented by the "by-laws" committee read and voted on.

ELI TRIPLETS MARK THIRD BIRTHDAY

Blowing out candles on three cakes July 12 were these triplets, the sons and daughter of Mr. and Mrs. Albert Eli, 18 E. Cavour, Daly City. With varying degrees of excitement on their faces are, left to right, Ronnie, Shirley and Donnie.

BUS SERVICE ON NO. 26 LINE CUT; MAY BE STOPPED

Bus service on the No. 26 line may be curtailed or completely dropped in 60 days.

This was the newest development in the San Francisco Muicipal railroad "controversy." It followed an announcement that the express service on the line would be discontinued tomorrow, July 15.

At the present time the San Francisco Public Utilities Commission is launched on a 60 day study of the bus line. When the study has been completed, it may be found necessary to cut or halt service, the commission indicated.

Taking a step in that direction, beginning tomorrow the commission will cut down the number of trips of the No. 26 bus. This means passengers will have to wait from five to 10 minutes more for a ride.

Financial difficulties were given as the reasons for the various curtailing movements. The commission claims the line has been in debt ever since its operation past the San Francisco county line.

Unless the system can pay for itself, officials indicated it might have to be discontinued.

Proving Once Again Crime Does Not Pay; Especially Acrobats

Was it worth it, after all?

This is probably the question an acrobatic burglar is asking himself today after breaking into the fruit store of Domenico Santore, 1801 Junipero Serra Blvd., last Saturday night.

In order to enter the building, the unidentified thief climbed a scaffold behind the store; ripped the boards off an unfinished door; went through the door down a rear stairway; climbed over an eight foot wall and smashed the back door of Santore's shop.

And the loot? One bunch of bananas.

Twelve Cases Of Chicken Pox Reported In Daly City

Chicken Pox put more Daly City residents, 12, in bed last month than any other contagious disease.

This was reported in the monthly roundup by the San Mateo county health department. Mumps knocked out six persons in the community for a few days, while dysentary and measles accounted for one and five cases respectively.

Throughout the county in general there were 148 cases of measles reported, 144 of mumps and 117 of chicken pox. Other diseases were down below the 10 mark.

Broadmoor Church To Show Movies

A moving picture show for children will be given weekly, beginning this Saturday morning at 10 a. m., in the Community Presbyterian Church, Eighty-seventh West of Junipero Serra. The two hour show will include cartoons, serials, travel, sports and educational reels.

A silver offering will be taken to defray the expense of the show. Any child coming with his parents' consent will be admitted.

PAVING WORK BEGINS ON LOCAL STREETS

It soon will be smooth riding for motorists on streets between Mission and Hillside Boulevard.

Paving of these streets by the city began this week. Also parts of Como street and Gambetta street will soon be completely paved. Alp street will be another paved street in the near future.

Property owners on a portion of E. Vista, between Mission and Hillside have also indicated a willingness to improve that street, Green said.

T. Sheehan, First City Treasurer, Dies At Local Hospital

Pioneer city official Timothy Sheehan, 89, 62 Templeton Ave., died in a local hospital July 11.

During his life, Sheehan spent many years in civic affairs. Shortly after he arrived in San Mateo county in 1908, the native of Ireland was backing a plan to incorporate Daly City.

When the city was incorporated in 1911, Sheehan ran for city treasurer, won, and was the first man to hold this position. Continuing to serve in public office, Sheehan went on to take over the post of Deputy Health officer.

Sheehan operated a real estate and brokerage business until he retired 11 years ago.

The one time civic leader is survived by two sons, John and Gerald, the latter lives in Daly City. He was also the father of the late William and the late Miss Genevieve Sheehan, and the widower of Mrs. Jane E. Sheehan. There is one grandchild.

Requiem high mass was held for Sheehan July 14 at 9 a. m. in Our Lady of Perpetual Help church. Rosaary services were held at 8 p. m. July 13 at the W. C. Lasswell mortuary. Final interment followed at Holy Cross cemetery.

County Assessment Roll Up 12 Per Cent; Tax Rate For Next Year Set In August

A gain of $25,000,000 in the San Mateo county assessment roll has been reported by Assessor O. B. Hempstead.

Total of both the secured and unsecured rolls, after exemptions, stands at $226,942,878 for 1949-50 fiscal year. This compares with $201,788,908 for a year ago.

Daly City's 1949 net total, after exemptions, is $5,898,965. Colma stands at $521,735, while South San Francisco is $14,107,430.

Whether or not the tax rate will go up or down can not be predicted at this time, Controller Fred Beer said. Predictions can not be made until it has been determined how much money was left in the treasury at the end of the fiscal year, June 30.

The tax rate must be set by August 31 by the supervisors.

A move to repeal Proposition No. 4 also complicates matters. If the repeal succeeds, the county will have to share the costs of old age and blind aid. This is now shouldered by the state.

An $11.94 increase was also shown in the secured property roll, coming to a total of $200,919,980.

Included on the secured roll is the operative property, or the assessment set up by the state on public utilities. This year it totals $23,043,900 compared with last year's $19,886,950.

NAMES OF WAR DEAD REQUESTED FOR MEMORIAL PLAQUE

Local residents were urged this week to submit names of local war heroes who gave their lives during World War II, for a bronze memorial plaque which is to be dedicated and permanently placed at the City Hall. Names should be submitted to the City Council.

City officials have arranged a list of 26 names from Selective Service records, but are making a comprehensive check of all war dead from the Daly City area to make sure that none will be overlooked.

The bronze plaque will be dedicated at the City Hall later this year, with appropriate ceremonies conducted by city officials and religious authorities, with participation by local organizations of the American Legion and Veterans of Foreign Wars.

BOYS CLUB DANCE RAISES $350

There is approximately $350 more in the kitty today to help finance the activities of the Daly City Boys' Club.

The money was the profit from a dance held last Saturday night. Close to 500 people turned out to prove that they are interested in promoting the welfare of Daly City's youth.

Money raised from this dance will help to pay for necessary equipment for the baseball team and various other recreational activities of the Boys' Club.

Crocker PTA Plans Annual Picnic At San Mateo Park

An annual picnic for members of the Crocker PTA and their friends will be held August 18.

President Florence Schmidt said the picnic will be held at San Mateo park. Further details will be released at a future date, as recreation chairman Ann Eason is still working on the program.

Meanwhile, members of the organization are enjoying various vacation activities. Last Thursday the group toured China town, following a luncheon at a San Francisco hotel.

Those making the tour included Florence Schmidt, Emma D'Isep, Pansy Montana, Olga Bordson, Cora Bruhns, Eva Hobbs, Ida Blackburn, Betty Kohlbrenner, Mildred Seiler, Alice Bradley and Jacqlin McKay.

STATE FAIR CONTEST

Miss California (Jone Ann Pedersen, Santa Rosa) adds a touch of beauty to a basket of curvaceous eggs to be entered in the state fair at Sacramento, September 1. The eggs, not Miss Pedersen, will be entered in the fair's "Biggest and Best" contest. This contest is open to anyone having anything from the largest family to the biggest vegetables.

SACRAMENTO WILL GIVE ADVICE ON FATE OF SCHOOL STRUCTURE

New Basketball Courts Are Slated For Jefferson High

Several school improvements and approval of a new retirement plan were the outcome of a Jefferson High school board meeting this week.

With an eye toward the popularity of basketball, the trustees approved two new basketball courts. They will be open-air, and constructed below the tennis courts.

For the convenience of players and spectators, the trustees also approved investigating the possibility of constructing rest rooms near the tennis courts. Sometime in the near future a contractor or architect will be asked to draw up plans for the rest rooms.

Cost of both these projects could not be ascertained at this time, Peter Markovich, president of the board, said.

Looking to the future, the trustees also passed on a new retirement plan. Under this plan all uncertified school employees will be able to retire at 60, instead of the previous age of 65.

However, it will be up to the employe to decide whether or not he wishes to retire. He may work, if he wishes, to the age of 70.

While full details on this retirement plan have not been fully worked out, Markovich said it also entailed a new medical care plan. Under this, the employe will receive additional medical help.

In order to retire at the earlier age, the employe will have more money taken out of his weekly or monthly pay check. The school will match this sum. Just how much money was involved, Markovich was unable to say at this time.

The high school will soon have a new roof over the auditorium. Bids were opened at the Tuesday meeting, and the lowest bid was $750 submitted by the American Roofing Co., Daly City.

Another Daly City concern, Fellman Roofing, bid only $1 more than American Roofing, and lost the contract. Other bids were submitted by San Francisco concerns.

Acquisition By City Of School Building Still In Doubt

Earthquakes both verbal and historical highlighted a public meeting of city officials and school board members Monday night.

When the "debris" was cleared, it was decided to call in the state department of education. They will be asked to give their opinion on the city's proposal to take over the old Woodrow Wilson elementary school building.

Earlier the building was condemned as a possible earthquake hazard, and the school board closed it to classes. When the board proposed to tear the structure down for playground room, the city countered with an offer to take over the building for office space. In exchange the city will give the schools 11,000 square feet of yard area.

Under present plans the city proposes to purchase the needed 11,000 square feet of land from property owners between Vista Grande and Knowles whose back yards are off Santa Barbara and Miriam. Each landowner will be asked to sell from 20 to 30 feet from the back of his lot. This will provide a playground which will roughly run about 60 to 100 feet in width.

At Monday night's meeting there appeared to be some conflict among trustees of the Jefferson elementary school district. Mike Callan gave his approval of the city's offer, but Mrs. Helen Cheatham and Andrew VanDer-Werf waited further information before reaching a decision.

Principal point of conflict seems to be whether or not, in case of an earthquake, children would be safe playing around the structure. Callan said this problem could be solved by putting up a fence to protect playground occupants from material falling from the building.

Members in the audience also brought up some interesting questions:

(1) As the city proposes to build a new Memorial Building to house city and county offices, why go ahead and spend $15,000 to $18,000 to repair the school structure?

Mayor Paul Green said the additional space was needed at once, and would be well worth the expenditure. He also asserted that there is always a need for office room.

(2) Can the city make the building reasonably earthquake proof?

According to a report of County Building Iispector Al Russel, this can be done. Councilman E. J. Mooney indirectly replied by stating the Woodrow Wilson building was one of the best constructed buildings in town.

(3) If the city can use the building, why not the school board?

James Snell, superintendent of Jefferson elementary school district, said certain repairs had to be made on the structure. He believed the state department of education would not even consider putting any money into the building.

In conclusion, Mayor Green said the city would receive an outright deed to the structure. However, in case the building was ever torn down, the property would revert to the school district.

Following a report of the state department of education, the trustees will tentatively meet with the city officials July 25 at 8 p. m. in the city hall. At that time some final decision may be reached on the disposition of the structure.

Two Attorneys Up For New Judgeship

Endorsement of two well known attorneys for a third judgeship to be created in San Mateo county has been given by the county Republican Central Committee.

Recommended are: Rudolph Rapsey, San Bruno, who is also central committee chairman, and Wayne Millington, Redwood City. The recommendations have been sent to Governor Earl Warren.

Establishment of a third court in San Mateo county was recently secured by Assemblyman Richard J. Dolwig.

WASHINGTON SEES RED

The big splotch of red ink on the Federal books is being matched by a flock of red faces in Washington. The deficit of $1,$11,000,000 with which Uncle Sam wound up the 1948-49 fiscal year is three times larger than President Truman's estimate and is bigger even than that predicted by his critics.

From now on the verbal battle will rage as to who is responsible for the deficit. The President will blame the 80th Congress for cutting taxes and the Republicans will blame the Administration for not cutting down on expenses.

In the meantime the national debt of a quarter trillion dollars which costs us about $5 billion annually in interest charges will be on its way upward again, and John Q. Citizen will have a still-heavier federal mortgage hanging over his head.

One especially significant phase of the financial story from Washington is this: the government collected less revenue this past year than in any of the preceding five years. So, it isn't merely a matter of rising expenditures but of falling income which accounts for the shortage.

Public pressure will probably force the adoption of economies with some trimming both of the military budget and the foreign aid outlays. Certainly, the citizens won't go for higher taxes. Most of them agree they're too high right now.

At any rate, the financial honeymoon which the Administration has enjoyed in the past couple of years is over. From now on it's going to be tough to make ends meet.

MASKED MOBS

It's encouraging to see that the Alabama Legislature has acted swiftly and overwhelmingly to outlaw the use of masks in that state. But that isn't likely to end the outrageous floggings which have been going on unless the local law enforcement officials can be made to carry out their duties. Reports from Alabama indicate quite clearly that sheriffs and other officers who should do all they can to stop the floggings are either indifferent or have actually taken part in them.

Top state officials may have to crack down on the local police, and this should certainly be done if the abuses continue. It is far better for any state to correct its own problems — as the decent citizens of Alabama are obviously anxious to do—than to provoke federal investigations which are especially resented in the South. Anyway, neither the South nor any other section of the country is in any mood to put up with mob hoodlumism — either masked or unmasked.

SECRETS WILL OUT

If prices continue to go down, President Truman is bound to hear of it one of these days.

Midget Auto, Cycle Card Slated This Week At Bayshore

"Stop Jerry Piper," will be the cry of 45 midget auto drivers when they compete tomorrow night on the racing card near Bayshore stadium.

Currently, Piper is the number one midget auto driver in northern California, and winner of last week's 25-lap main event at Bayshore.

One of Piper's chief competitors Friday is expected to be Bill Evans, Martinez. Evans won the special eight car "destruction derby" at Bayshore last week, and has been consistently close in recent main events.

Time trials begin at 7 p. m. with the first race starting at 8:15.

Turning to Saturday night's motorcycle races, "Shorty" Tompkins will try to continue his winning streak as he rounds the curves at Bayshore stadium.

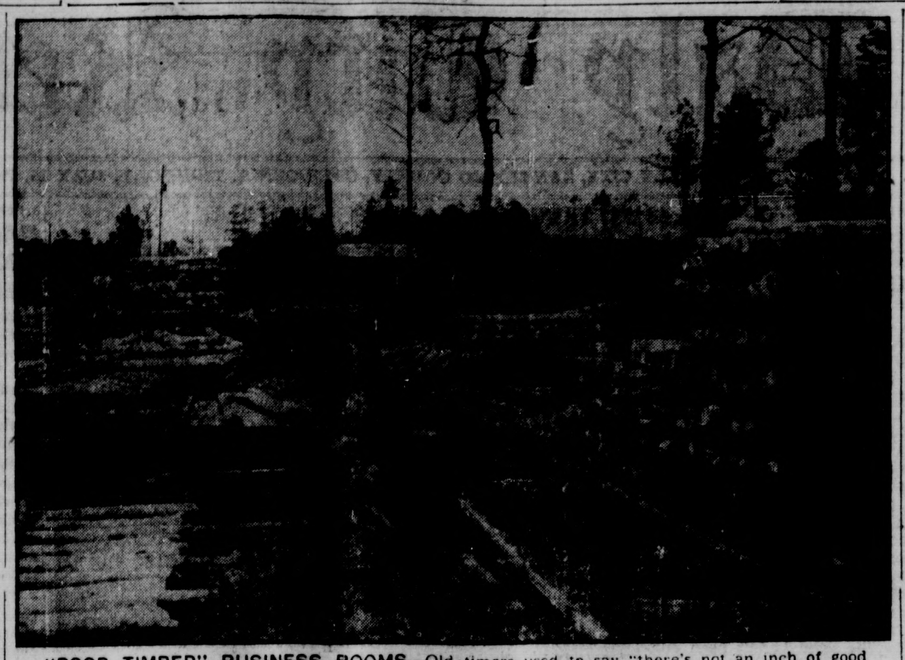
Tompkins, a diminutive Sacramento rider, has a first, second and third in the three 15-lap Bayshore features of the season.

Last week he came from far back in the field to win the 15-lap feature in a thrilling finish. Tompkins passed Roy Andres and Al Rudy in the final lap to win an exciting race.

Time trials start at 6:45 with the first race starting at 8:15.

Beach Preview

At a style preview of coming fashions in Chicago, this hooded crew jersey was predicted as one of the things bathing beauties will be sporting on the beaches next summer.



"POOR TIMBER" BUSINESS BOOMS—Old-timers used to say "there's not an inch of good lumber in a square mile of it," but forward-looking timber farmers are ready to turn North Carolina's old-field softwood trees into profits. The secret is a creosoting process promoted by the North Carolina Department of Conservation and Development which makes softwood timbers last up to 30 years instead of five. Small plants like the one above can turn out up to 600 fence posts a day, at 65 cents a post. Lumber, crossties and electric light poles are also produced from timber formerly considered worthless.

MAJOR PROJECT—Wiping Paul Bunyan's nose is no easy task, as shown by these workmen putting the finishing touches on the giant figure set up at the Chicago Railroad Fair. This replica of the mythical hero of the Northwest has movable arms, head, eyes and mouth. He'll spin tall tales of his exploits with Babe, the Blue Ox, by means of a hidden recording device.

Intermed. Church Class Elects New Officers For Year

New president today of the intermediate class of the Grace Church of the Nazarene is Alice Reardon.

The president was elected last Sunday at the monthly meeting of the group at the home of Mr. and Mrs. Lemon.

Other new officers include: Carolyn Saumer, vice president; Carol Ann Glover, secretary; Joyce McKisson, absentee secretary; Lennon Paige, treasurer; Janell Heise, amusement chairman.

Meanwhile, events and activities have been planned for the remainder of this month and August. They include: trip to Golden Gate park, July 16; fishing at Fisherman's Wharf, July 19; treasure hunt, August 5. Any boy or girl of intermediate age interested in joining the group is always welcome.

Choir practice this week will be held tomorrow, July 15, 7:30 p. m. at the home of Mr. and Mrs. Eldon Heise, 224 Minerva street, San Francisco.

TEACHERS TO ATTEND MEET

Marion M. Kramer, Daly City teacher, will attend a meeting of English teachers at Stanford next week. Teachers of English from all over the Bay Area and other sections of northern California will meet at the school July 19 through July 21. They will be brought up to date on latest scholarly findings in the field.

Civic Leaders Pay Honor To Krehl

Some 250 people were at the Club Casino Tuesday night to prove the error of an old saw that runs, "A policeman's only friend is himself."

The people were present to honor George Krehl, 251 Station avenue, former county constable, who has retired after 20 years of public service.

Highlight of the testimonial dinner was the presentation to the dean of the force of a diamond studded star, number 18. This was the number he had worn for 20 years.

Notables who gathered to pay tribute to the 70-year-old officer included: Judge William Sweeney, A. J. Bodien, Sgt. William Bolger, Otto Schramm, Dr. Harris, Tony Baird, George Olmo, Edward Allen and Mayor Leo Ferko of South San Francisco.

Other guests included: Sheriff James J. McGrath, Fred Wyckoff, W. W. Sunderland, Mayor Paul Green, Walter Moore and Councilmen A. J. Gaggero and Edward Mooney.

Lions Hear FBI Agent On Crime

Trends in the underworld were discussed at the regular Lions Club meeting Wednesday.

Guest speaker was Harry M. Kimball, FBI agent. He spoke on "Current Crime Trends." In his talk the government man stressed the importance of community awareness to the crime problem.

"Only by a continued support at local levels of law enforcement agencies and cooperation in rehabilitation can the crime rate be decreased," Kimball asserted.

Meanwhile, the program for the July 20 meeting was announced. Guest speaker will be Irving Berliner, assistant collector of internal revenue, who will speak on "Tax Problems of the Federal Government."

At least 60 per cent of Chiang Kai-shek's troops, or about 1,800,000 men, were lost during 1948, according to the Britannica Book of the Year.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

H. C. Coyle, 251 Hillcrest Drive.

H. F. Menge, 1130 Brunswick street.

John M. Padilla, 420 Bellevue avenue.

Mrs. V. Sartori, 228 Los Olivos avenue.

Byron F. Stricter, 107 Wyandotte street.

Rosario Pagan, 114 Evergreen avenue.

Harold Blors, 174 Werner street.

John Sallas, 574 Crocker avenue.

Stanley Majeski, 262 Station avenue.

San Mateo County Adds Two District Attorney Deputies

Criminal work and prosecution in northern San Mateo county will now be aided by the county district attorney's office.

This announcement by District Attorney Louis B. DeMatteis followed the recent appointment of two new deputies to his staff. With the new deputies the attorney's office will be in a better position to carry on its duties in this district, DeMatteis said.

The appointments are: Keith C. Sorenson, 27, Redwood City and Vernon V. Vale Jr., 26, Menlo Park.

Sorenson was formerly connected with a San Mateo law firm. His new job will consist principally of handling civil cases and giving legal advice on civil work to the county.

A former member of a South San Francisco attorney's office, Vale will work with the criminal side of the district attorney's office.

Since 1830, the number of magazines and newspapers in the United States has increased almost 25 times, while the population has increased only six times.

Northern San Mateo County Girl Scouts Now Greatly Enjoying Camp Life

Heading for the out-of-doors this week were many Girl Scouts from northern San Mateo county.

The first of three 10-day sessions at Camp Wasibo in the Santa Cruz Mountains began Monday. While the camp is in operation, some 80 girls from this area will enjoy the thrill of living outside.

Many new features have been added by the hard working camp committee to increase the fun, comfort and safety of the campers. Program highlights include hikes, campfire cooking, singing, swimming and nature trips.

While at the camp, the girls are divided into four units of 20 girls each according to age. Each unit has three leaders especially concerned with living and program. In addition there are other staff members concerned with offering supervision, helping with program skills and other necessary jobs.

Now at camp are nine girls from Daly City. They include: Joanne Balestreri, Lilianne Boynton, Carol Ann Donofrio, Lenora M. Fenn, Beverly Hamilton, Pat McGraw, Beverly Sundermann, Judith M. Uhrig, Francine Vaznaugh.

Assisting camp as members of the staff are the following local women: Mrs. James Hamilton, senior girls unit leader; Mrs. Dagne Golloday and Mrs. Cecil Saarinen, assistant unit leaders; Mrs. Mattrup Jensen and Mrs. Everett Heagney, dining room supervisors.

Serving on committees are: Mrs. Richard Crane, Mrs. Cora Oberg, Mrs. James Kennedy, Mrs. Marie Miller.

Camp visiting day for the first session will be this Sunday, July 17, from 3 to 5 p. m.

F. O. E. Auxiliary May Enter State Convention Next Year

Next year the Ladies Auxiliary FOE, Daly City, will probably enter a drill team in the state convention.

The "probably" will be removed if enough interest is shown in the project. Anyone interested in promoting this scheme should take some part in a drill team or escort team. Further information may be had from Marke Kennedy, address not given, or Dolly Davison.

This was the principal topic of conversation at the last regular meeting of the auxiliary. Also plans for regular whist games every third Tuesday afternoon, 1 p. m., beginning next were made. Further information will be given at a later date.

Members of the auxiliary now out of town include: Mr. and Mrs. C. Pacher, fishing; Mrs. Bill Kennedy and husband, Russian River; Mr. and Mrs. Bill Almquist, away on a trip.

Helen A. Nyberg

Long time resident of Daly City, Mrs. Helen Arteseros Nyberg, 38, 253 Hartford street, died at her home July 9.

Well known for her interest in local affairs, Mrs. Nyberg was the wife of Henry Nyberg. She is survived by three children, David, Gloria, Caroll; her mother, Mrs. Anna Latvala, Fort Bragg; two sisters, Mrs. Viola Very, Daly City, and Mrs. Ilona Walter, Fort Bragg.

The Rev. Paul Westerberg officiated at funeral services held July 11 at the W. C. Lasswell mortuary. Internment followed at the Olivet Memorial cemetery.

James S. Varni

Requiem high mass was celebrated for James S. Varni, 81, 32 Price street, July 11. Varni died July 8.

A former rancher, Varni was a native of Italy. He is survived by his widow, Mrs. Mary Varni, sons Alfred, Ernest, Lawrence, James, Richard and daughters Miss Mae Varni, Mrs. Angelina Nava, Mrs. Elsie Belli and Mrs. Anita Granucci. There are 10 grandchildren.

Recitation of rosary was held Sunday at the Valente, Marini, Perata chapel. Internment followed at the Holy Cross cemetery.

William Kaufmann

A retired mill man, William Kaufmann, 76, 9 Paul street, died July 9.

During his life Kaufmann was employed at the Loop Lumber Co. in San Francisco. A native of the Bay city, Kaufmann is survived by seven sons, William, Roy, Arthur, Henry, Ernest, Walter, Deward; and five daughters, Mrs. Augusta Simon, Mrs. Minnie Bunyan, Mrs. Alma Simonini, Mrs. Bertha Peacock, Mrs. Bernice Santos. There are 17 grandchildren and three great-grandchildren.

Funeral services were conducted July 12 by the Rev. H. P. Schroeder at the W. C. Lasswell mortuary. Internment followed at the Olivet Memorial cemetery.

Frank W. Imsick

Funeral services were held Wednesday for Frank William Imsick, 59, 331 Capital avenue, at the W. C. Lasswell mortuary.

An employee of Swift and Co., San Francisco, Imsick died July 11. He had been a resident of Daly City for a good part of his life.

Imsick was the widower of the late Mrs. May Imsick, and father of Mrs. Dorothy Newman and Mrs. Virginia Perasso. He is also survived by his mother, Mrs. Lucy Imsick, Daly City.

Services were conducted by The Rev. LeRoy Pillman and internment followed in the Woodlown Memorial Park.

TROUT ANGLERS HAVE GOOD LUCK

Trout anglers have been enjoying some first-rate sport recently on Gull Lake, Mammoth Lakes, Twin Lakes at Bridgeport, and along the West Walker and Little Walker Rivers in Mono County, according to the National Automobile Club. They have been using salmon eggs and flies.

"Next to Oppermann the Plumber"

Sorry! It's out of my hands

Why talk to me about the importance of going to Church? You don't expect me to put on my Sunday suit and stroll down there alone, do you?

Dad and Mother are the people to see . . . they make all the important decisions.

Sure! I'd like to start Church School pretty soon. Yes, and I'd like to see the whole family in Church. A little chap like me can understand religion much better when he doesn't have to wonder why his folks aren't on speaking terms with God.

And, frankly, I think you grown-ups need the Church as much as I do—it wasn't my generation that got the world into such a mess!

All right, you can quote me. And I'll even let you put my picture in the paper. 'Cause, confidentially, I think we would all be a whole lot happier if Dad and Mother, and some of the rest of you older folks, would look at these spiritual matters through my eyes!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

	Book	Chapter	Verse

M-DAY

If the United States should ever find it necessary to go to war again the nation will be in greater readiness than at the start of World War II, at least as far as our industries are concerned. Tentative plans for mobilizing our productive machines are now far advanced, according to reports of the National Security Resources Board, which is dealing directly with the problem. No less than three quarters of a billion worth of "phantom orders" for war equipment and material have already been allocated to various manufacturers.

In case of war it would be necessary only that telegrams be sent to these factories to get production rolling. This stand-by program should cut anywhere from six months to a year from any future mobilization — enough to spell the difference between victory and defeat. Any war of the future must be half fought before it starts if we are to win.

PALOMAR MOUNTAIN OBSERVATORY

Visitors are admitted without charge to the Visitors' Gallery at the Palomar Mountain Astrophysical Observatory every day between 9:30 a. m. and 4:30 p. m., reports the National Automobile Club. Located 135 miles from Los Angeles, this observatory, which houses the twenty-ton two-hundred inch reflector, can be reached by taking the coast route to Oceanside then turning inland to the new "Highway of the Stars," which is a wide road with easy turns.

Aaron Burr challenged Alexander Hamilton to a duel because the latter said he had a "despicable" opinion of Burr, according to the Encyclopaedia Britannica.

TEST YOUR I. Q.

1. For whom was Mt. Rainier named?
2. What new branch of the Cabinet has President Truman proposed?
3. How much ice cream does

the average American eat in a year?
4. When and where were the first modern Olympics held?
5. Was the land for the District of Columbia taken from one state or two?

TEST YOUR I. Q.

1. Is the Alaska Highway open to travel?
2. Is there more than one authenticated copy of the Declaration of Independence?
3. What is the only state which

claims to have no big game (bear, deer, moose, etc.) at all?
4. What state has been the birthplace of eight presidents?
5. What state has been known as the "Land of Steady Habits"?

Answers to TEST YOUR I. Q.

1. Yes. The Alaska Highway (formerly known as the Alcan Highway) was opened to summer tourist travel in 1948.
2. Yes, Congress in 1777 ordered an authenticated copy of the Declaration sent to each of the United States. These were printed in broadside form by Mary Katharine Goddard in Baltimore.
3. Kansas.
4. Virginia. (Harrison, Taylor and Wilson, elected from other states, were born in Virginia.)
5. Connecticut.

PEGGY
EMPTY! I CAN'T BELIEVE IT!

Top-Hat

Teen-age Tillie was trying on hats in the store. She picked up a small green felt, adjusted it on her head and began to view herself eagerly at all angles in the mirror.

"Do you like the hat?" a girl beside her suddenly asked.

"It's a honey," Tillie exclaimed. "It's the new shade of green and," she added, "it's a style you won't see on every Jane and Josie."

"Thanks," said the girl. "That's what I wanted to know. It happens to be my hat."

How to Hold Watermelon Party

WATERMELON parties, always welcome fun for a hot summer night, should be delightfully informal.

"Hi, gang, I have an iced watermelon. Let's cut it in my backyard after supper." This is the invitation by telephone.

Watch how quickly your guests accept it. If you have a portable record player, set it up under the trees and start it going.

Then take your little brother's football which you have basted in a green cotton cover. Line your guests in two rows for the Watermelon Toss. Tossing from one player to another must be fast and furious. Whoever is holding the watermelon when the music is stopped, drops out of the game which is continued until only one player remains.

The winner of Watermelon Toss is given the honor of cutting the real watermelon, which now is ready to be eaten. Since this is an outdoor party, have a little sport with those nice slippery seeds. Snapping them tiddlywinks fashion into a paper cup target is a skiddy test of marksmanship. All those who score a seed in the cup are entitled to a second helping of watermelon.

Lay out the remaining rinds upon the ground in an effort at making a freestyle picture. Any picture will do. The head of a girl. Or a flower. Even a jungle animal. The most artistic rind picture merits the title of King or Queen Watermelon and the winner is given a green cardboard crown to wear.

Orphans Have Fun

A BOOK published recently, "Forty-Five in the Family," by Eva Burmeister (Columbia University Press), shows that there have been many changes in orphanages since the days of Oliver Twist. In fact, Lakeside Children's Center in Milwaukee sounds like a real home and while the family is large, all are members of a real family.

Once when Freckles, the dog, was lost, practically the whole city of Milwaukee pitched in to help find it. A case worker in juvenile court was stopped in the middle of a sentence by the judge who wanted to know if Freckles had been found.

Another time Larry, one of the boys, decided he would like to bake a cake. Petey the cook called out the ingredients as Larry followed instructions. But when the cook said: "A level teaspoon of salt," Larry thought Petey said "Eleven teaspoons of salt." But the girls thought Larry was quite a hero and so they bravely ate the cake rather than hurt his

WHEN A CROCODILE DIVES, HE CLOSES HIS EYES AND LOOKS

Are You Tactful?

The situation: You have just met Johnny Addlestone and are about to introduce him to a friend of yours. Just as you start, you realize you have already forgotten his rather unusual name.

What will you do? (a) Change the subject immediately — dropping the introduction? (b) Say, "I'm sorry, Johnny, but when we were introduced I didn't quite get your last name"? (c) Go on with the introduction in hope that Johnny will fill in the blank when you get stuck? (d) Mumble something unintelligible for his last name? (e) Say, "This is Johnny. I've just had the pleasure of meeting him myself?"

The solution: The best way to handle the situation is to use solution B. Say that you didn't quite get his name when you were introduced. It's tactful and truthful.

No Minors

Because of the hazards involved the United States Department of Labor recently prohibited the employment of young people under 18 years old in industries which use by-products from the development of atomic energy. Minors previously were not permitted to work where radium or self-luminous compounds were used and the new order extends this bar to

Notice of Intention To Engage in the Sale Of Alcoholic Beverages

July 12, 1949

TO WHOM IT MAY CONCERN:

Notice is hereby given that 15 days after the date posted, the undersigned proposes to sell al-coholic beverages at these prem-ises, described as follows:

7379 Mission Street, Daly City, San Mateo County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for is-suance by transfer of an alcoholic beverage license (or licenses) for the premises as follows:

"ON SALE—GENERAL"

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacra-mento, California, stating grounds for denial provided by law. The premises are now licensed for the sale of alcoholic beverages.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Jefferson Elementary School District, 344 Santa Barbara Ave., Daly City, California at the Office of the Su-perintendent of Schools, until 8:00 p.m., Thursday, July 28, 1949 and will be opened and read aloud at the meeting of the Board of Trus-tees held at the time and place above stated for the furnishing of all labor, materials, services, trans-portation, etc., necessary to pave the grounds of the Thornton School, First and Castle Sts., Col-ma, California in accordance with plans, specifications and other contract documents now on file in the Office of the Superintend-ent of Schools of said School Dis-trict, 344 Santa Barbara Ave., Daly City, San Mateo County, California where they can be ex-amined.

Bidders are hereby further noti-fied that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be man-datory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate per diem wages and rates for legal holi-day and overtime work in the local-ity in which this work is to be per-formed for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bid-ders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bid. Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontrac-tor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the por-tion of the work which will be done by each sub-contractor.

Each bid shall be made out on a form to be obtained at the office of said Superintendent at the address hereinabove set forth; shall be ac-companied by a certified or cash-ier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the success-ful bidder refuses to enter into said contract after being requested to do so by the said Board of Trus-tees.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School Dis-trict.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City, California, the 23rd day of June, 1949.

NOTICE OF PUBLIC HEARING

JEFFERSON ELEMENTARY SCHOOL DISTRICT
Resolution No. 1
SUNSET SUPPLY LINE

Section 1. RESOLVED, That this Board on behalf of the Jef-ferson Elementary School Dis-trict, an Elementary School Dis-trict of San Mateo County, Cali-fornia, hereinafter referred to as the Grantor, hereby declares its intention to dedicate to the City and County of San Francisco, a municipal corporation of the State of California, hereinafter referred to as the City, an easement to lay, relay, construct, reconstruct, maintain, operate, patrol, repair, renew, replace, remove, increase and/or change the number and size of, pipes, pipe lines, conduits and/or connections, appurte-nances and appliances, for the conveyance, distribution, supply and/or sale of water, in, on and along certain real property of said School District situated in the County of San Mateo, State of California, being a strip of land 50 feet wide, lying 15 feet to the right and 35 feet to the left, measured at right angles, of the following described line and ex-tensions thereto, across that cer-tain parcel of land conveyed by The Stoneson Development Cor-poration to Jefferson Elementary School District by deed dated July 15, 1947 and recorded January 12, 1948 in Volume 1436 at page 240, Official Records, San Mateo County, hereinafter referred to as the Jefferson Elementary School District Deed No. 1 Parcel, and that certain parcel of land conveyed by The Stoneson Devel-opment Corporation to Jefferson Elementary School District by deed dated May 28, 1948 and re-corded March 11, 1949 in Volume 1633 at page 678, Official Records, San Mateo County, hereinafter referred to as the Jefferson Ele-mentary School District Deed No. 2 Parcel; said strip of land being more particularly described as follows:

COMMENCING at a point in the westerly boundary of the existing Village Lane, distant south 29° 45' 42" west 42.54 feet from the point of intersection of the northeasterly boundary of the above mentioned Jefferson Ele-mentary School District Deed No. 1 Parcel, with the said westerly boundary of Village Lane; thence from said point of commence-ment, north 37° 28' 30" west 160.66 feet and north 27° 32' 30" west 397.83 feet to a point in the com-mon boundary between the above mentioned Jefferson Elementary School District Deed No. 2 Par-cel, and the lands now or formerly owned by the Lake Merced Golf and Country Club, distant there-on north 89° 24' 35" west 178.22 feet from the northeast corner of said Jefferson Elementary School District Deed No. 2 Parcel, said northeast corner being a point in the northerly boundary, of that certain subdivision shown on the map entitled "Tract No. 535 Gar-den Village Subdivision No. 4" filed in the Office of the Recorder of the County of San Mateo in Book 24 of Maps at page 2; the southeasterly end of said strip be-ing the above mentioned west-erly boundary of Village Lane and the northwesterly end of said strip being the above men-tioned northerly boundary of the Jefferson Elementary School Dis-trict Deed No. 2 Parcel.

CONTAINING 0.659 of an Acre.

SUBJECT to the following res-ervations and conditions:

1. The Grantor reserves the right to make use of the land hereinbefore described for any purposes not inconsistent with the use thereof by the City under the terms of this grant. In the exercise of the right herein re-served, the Grantor agrees that no trees shall be planted and that no structures of any kind or character shall be placed on, over, along and/or across said right of way without the consent of the City, except as hereinafter pro-vided.

2. The Grantor reserves the right to construct and maintain over and across, but not along, said parcel of land, fences, roads, streets, sewers, water pipes, gas pipes, electric power lines, tele-phone lines, telegraph lines; also the right of free ingress to and egress from said parcel of land for the purpose of maintaining, re-pairing and renewing such struc-tures; provided, however, that the locations and grades of such im-provements and structures shall first be approved by the City's Public Utilities Commission; pro-vided further, that the Grantor shall not use said parcel of land, or permit the same to be used, for any purpose or in any manner which will interfere with, dam-age, or endanger in any way any pipes, pipe lines, conduits, con-nections, appurtenances or appli-ances of the City. The ground sur-face of all fills placed on said land by the Grantor shall not ex-ceed 5 feet about the tops of the City's pipes. If the Grantor con-structs additional fences across said easement, then the Grantor shall install gates in such fence crossings to permit passage of trucks and other equipment.

3. All of City's pipe lines and conduits shall be laid, wherever the grade of the land will permit, below the surface of the ground to a minimum depth of 18 inches, but where, on account of drainage ditches, ravines or depressions in the land or other causes, it is not practicable to lay said pipe lines and conduits below the surface of the ground, the same may be laid on the surface of the ground, or upon trestles or other structures. Pipe line appurtenances may be constructed above the surface of the ground; provided, however, that the City shall not construct fences along the side lines of said right of way easement without the consent of the Grantor. If the City should damage the Grantor's roads or fences, the City shall, at its own expense, repair such dam-age. Any construction work done on the premises by the City or its agents shall be prosecuted with a minimum of delay; and the City shall, at its own expense replace any surfacing or pavement on said land which it may disturb.

4. The rights and conditions herein set forth shall inure to the benefit of, and bind, the succes-sors and assigns of the parties hereto.

Section 2. Upon execution and delivery of the necessary ease-ment deed from the Grantor to the City, the City shall pay the Grantor the sum of $1,625.00 cash.

Section 3. A public hearing on this question will be held by this Board at 344 Santa Barbara Ave., Daly City 25, California — at 8:00 P.M., Thursday, July 28, 1949.

Adopted: June 23, 1949.

Ayes: Trustees Callan, Bertetta. Noes: None. Absent: Van Der Werff.

I hereby certify that the fore-going resolution was adopted by the Board of Trustees of the Jef-ferson Elementary School Dis-trict, at a regular meeting, and that at least two-thirds of all of the members on the Board voted in favor of the Resolution.

Aerie Forms New Drum Corps; Members Now Needed For Group

Organization of a new drum corps for the Colma-Vista Grande Aerie No. 1848, Eagles is now un-der way.

The decision to form the group was made at the last regular meeting of the Aerie. Rehearsals are scheduled to commence as soon as the equipment is received.

It is hoped the new drum corps will measure up to the old organ-ization. Then the local Eagles had one of the finest corps in this part of the county.

All members who are interest-ed in joining the new unit are asked to sign up with Glenn Wilkes, JU 5-9738 or with Tom Rae at 6272 Mission street.

The United States Weather Bu-reau reported more than 10,000,000 different local weather observa-tions during 1948, according to the Britannica Book of the Year.

The Greek rebels, to defeat whom the United States has con-tributed nearly $170,000,000 in aid, number about 25,000 soldiers, ac-cording to the Britannica Book of the Year.

NOTICE OF TRUSTEE'S SALE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 29th day of July, 1949, at the hour of two o'clock P.M. of said day on the steps of the Middlefield Road en-trance to the County Court House, in Redwood City, County of San Mateo, State of California, the un-dersigned, The San Francisco Cor-poration, a California corporation, as trustee, will sell at public auc-tion to the highest bidder for cash in lawful money of the United States of America payable at the time of sale, the following de-scribed real property, situated in the County of San Mateo, State of California:

Lot 7 in Block 13, as designated on the map entitled "MAP OF SUBDIVISION NO. 1 OF SCHWERIN ADDITION, VISI-TACION VALLEY, PROPERTY OF SCHWERIN ESTATE REAL-TY CO. SAN MATEO COUNTY, CALIFORNIA", which map was filed in the office of the Recorder of the County of San Mateo, State of California on October 5, 1908 in Book 6 of Maps at page 42.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale con-ferred in and by a certain deed of trust executed by Richard Hexter and Rozalia Jeanne Hexter, his wife, as trustors, to E. T. Kruse and Parker S. Maddux, as trustees for the benefit and security of The San Francisco Bank, a corporation, as beneficiary, dated March 30, 1942, and recorded on April 3, 1942, in the office of the Recorder of the County of San Mateo, State of California, in Volume 1013 of Offi-cial Records at page 236, under which said deed of trust said The San Francisco Corporation has been duly and regularly substituted as trustee.

Notice of defaults in and breach-es of said obligations and of the election of said beneficiary to cause said real property to be sold was recorded in the office of the Recorder of the said County of San Mateo, on February 9, 1949, in Volume 1622 of Official Records at page 70, under Recorder's Series No. 75669H, to which said record reference is hereby made.

This notice is given in compli-ance with a demand heretofore made on the undersigned trustee by said beneficiary.

Certificate of Co-partnership Operating Under Fictitious Name

No. 96155H

The undersigned, ONEY A. JOHNSON, residing at 1446 Revere Avenue, San Francisco, California and LESLIE M. BROWN, residing at 275 London Street, San Fran-cisco, California are co-partners engaged in operating a business for manufacturing and selling ball-bearing swivels and other selected items at No. 7099, Mission Street, Daly City, San Mateo County, Cali-fornia, under the fictitious name of "SAMPO MANUFACTURING COMPANY."

In Witness Whereof, we have hereunto subscribed our respective names this 16th day of June, A.D. 1949.

ONEY A. JOHNSON
LESLIE M. BROWN

State of California)
) ss.
County of San Mateo)

On this 16 day of June, A.D. 1949, before me William Lagomarsino a Notary Public duly commissioned and sworn for and residing in the County of San Mateo, State of California, personally appeared ONEY A. JOHNSON and LESLIE M. BROWN, known to me to be the persons whose names are sub-scribed to the within instrument, and each acknowledged to me that he executed said instrument.

In Witness Whereof I have here-unto subscribed my name and af-fixed my Official Seal at my office in said County of San Mateo, the day and year first hereinabove written.

WILLIAM LAGOMARSINO
Notary Public in and for the County of San Mateo, State of California.

(Pub. June 23, 30; July 7, 14, 21, 1949.)

D. C. GIRL SCOUTS REPORT FINE TIME AT CAMP MATTRUP

With sunny skies in their favor, the Girl Scouts of Daly City, Col-ma, Bayshore and Sharp Park wound up an eight-day period of daytime living-in-the-open at their Camp Mattrup in the Colma hills. Helping the girls to become famil-iar with the trees and shrubs around camp was Mrs. Alice Det-weiler, while Mrs. Margaret Da-mon gave a most interesting talk to the assembly on birds and their nests and how to make bird baths for the camp site.

Reflecting the out-of-door as-pect, the names chosen for the various units were quite colorful: Tall Tree Camp, Pine Cone Hol-low, Humming Bird, Bambi, Mousie Nest, Eucalyptus Grove, Evergreen Girls, Oriole Cove, Hol-low House, Woodpecker Hollow, and the 49'ers, the boys' camp. Even more colorful were the names of the foods prepared at the campfires: Blushing Bunnies, Bags of Gold, Campfire Stew, Tinfoil Potatoes, Mock Angels, Banana Boats, Somores, and Snow on the Mountain. The more advanced scouters did reflector oven cook-ery and made biscuits and ginger-bread that equaled that of moth-er's.

The closing day of the session saw the exciting treat of a water-melon feast provided by the Daly City Employees' Association. This is the third year such a treat has been given the girls and has be-come practically a traditional event on the closing day. The pre-vious two years the treat has been furnished by Arthur Bodien and T. Collins.

Also on the closing day of the session girls who had attended camp for three or more years were permitted to camp out overnight with adult leaders. Putting into practical experience the camp training they had received, the girls set up and maintained their own camp. They planned and cooked their own evening and morning meals. This thrilling ex-perience was participated in by Carol Bertelli, Darlene Haynes, Lois Kramer, Margaret Runge, Trudy Runge, Beverly Sunderman, Roberta Taylor, Phyllis Thur and Mary Ada Sea.

Leaders who camped out and also cleaned up and put the camp in order for the following South San Francisco session were Mrs. Muriele Pabst, Mrs. Hilda Heag-ney, and Mrs. Angie Thur.

Much credit should be given to the following leaders who gave unstintingly of their time and ef-forts to make the camp a happy experience for the Brownies and-scouts who attended: Mrs. Muriele Pabst, camp director; Mrs. Gladys Kennedy, camp nurse; Mrs. Marge Calvin, Mrs. Lillian Klingler and Mrs. W. Giuliani, who conducted the 49'ers unit of the leaders' boys; Mrs. Edith Anderson, June Boyn-ton, Frieda Cady, Dorothy Carr, Pearl Cost, Margaret Damon, Alice Detweiler, Margaret Doug-las, Ellen Eckels, Winifred Evans, Mary Gianni, P. Giusti, Dagny Golladay, Thelma Hamilton, Gene-vieve Haynes, Hilda Heagney, Shirley Hess, Gertrude Hiett, Sue Hopman, Helen Kitson, Mary Lar-son, Marie Miller, Margaret O'Keefe, Verna Rambold, Bessie Runge, Cecil Saarinen, Amy Sa-velli, A. Stall, Angie Thur, Lor-raine Todhunter, and Frances Widhurst. Sincere thinks are also expressed to the committees and individuals who had a share in making this largest camp session ever held, the success that it was. Our has are also off to the San Bruno Battalion of the National Guard for their splendid coopera-tion.

One of history's greatest under-water demolitions was the blasting of the nine-acre Flood Rock, near Long Island Sound, in 1858, accord-ing to the Encyclopaedia Britan-nica.

Polio Precautions

The golden rule of personal clean-liness should be observed particu-larly in the usual summer polio epidemic months. Food should be kept tightly covered and safe from flies and other insects. The same applies to garbage, which, where other disposal facilities are lacking, should be buried or burned.

BASEBALL SCHOOL—AND PET SHOW

(Continued from Page 1)

both children, and adults. The schedule for youngsters is: fifth grade and below, 1:30 to 2:30 p.m., second and fourth Thursdays, Bellevue Hall, 337 Bellevue Ave.; sixth and seventh grades, first and third Thursday, same time and place; all upper elementary school grades every Tuesday and Thursday, 1 to 2 p.m., Jefferson High School's Little Theatre.

Beginning classes in adult folk dancing are now held every Friday, 7:30 to 9:30 p.m. at the Jefferson High School Little Theatre. The intermediate class is held at Bellevue Hall every Friday from 8 to 10 p.m.

The recreation department also has planned night activities. These include various activities for boys and girls in the upper elementary school grades at Castle Hall, 7339 Mission street, Every Wednesday and Thursday from 7 to 9 p. m.

Teen Agers meet at night at the same hall from 7 to 10 p.m. each Tuesday and Friday.

Tween Teen Club members meet every Monday from 7 to 9 p.m. at Bellevue Hall for movies and games.

Now let's take a look at the playgrounds.

JEFFERSON HIGH SCHOOL: Last week, Bob Crawley took up his ping pong paddle and swatted his way to first place in the tournament. Dick Halinen came in second.

JEFFERSON ELEMENTARY SCHOOL: In another ping pong tournament Bob Giorni defeated Jose Ordonez 21 to 16 to take first place in the boys' singles. In the girls' league, Donna Shulda defeated Janice Toole 21 to 19 to cop the girls' singles. Then came the battle of the sexes and Donna walked over Bob to assume the Class A champion's chair. The Class B tournaments will be run off later this week.

MARCHBANKS PARK: Races were being held in the park this week to train track and field contestants for tomorrow's field day.

CRAFT CENTERS: Classes in crafts are under way with great success, James Kraywinkle, director, reports. The Parkview craft center is open Monday, Wednesday and Friday. The Peoria group meets Tuesday and Thursday. Children are now tracing and coloring bird pictures, with boys meeting every Tuesday, 7 p.m., to make model airplanes. New classes in crafts started this week at Jefferson Elementary school yard. They will be held Monday, Wednesday and Friday from 3 to 4:30 p.m.

Looking backwards, the winners of last week's "Vehicle Day Race" include in order of placement:

Boys 13 and over: Jim Fernandez, Charles Olson, Ray Rosa. Boys nine to 12 years: Robert Rocci, Robert Dixon, Billy Corkey. Girlss nine to 12 years: Janice Toole, Freda Johnson, Margo Sutter. Twenty-five yard scooter race: Andrew Ruelas, Kathy Rasmussen, Claudia Keeler.

Other classes were—Most Unique vehicle: Robert Molina, John Montanero, Armand Favor. Best constructed vehicle: Walter Huntman, John Moritenaro, Mike McNeil. Decorated bike: Billy Corkey. Decorated scooter, Shirley Mandelson. Decorated tricycle, Deanne Swisor. Twenty-five yard coaster wagon race: Tommy Glother, John Sabriedo and Al Blair.

Again this year the Marchbanks playground entered its answer to the racing world in "Streak II." This marvel of craftsmanship was a seven passenger homemade skate coaster. Needless to say it now holds the speed record for all seven passenger skate coasters.

ROD AND GUN CLUB SUNDAY SHOOT RESULTS

Daly City's Rod and Gun Club held its annual rifle and shotgun shoot last Sunday, July 10.

About 30 shooters at the Coastside rifle range, Pedro Point, made the air blue with gunsmoke and uncomplimentary remarks about their bad luck with a target.

Following are the first, second and third place winners respectively of various events:

Deer Shoot, 200 yards

Harold Purser, Jimmy Fox, Gordon Sullivan.

Big Bore, 100 yds. (Deer Rifles)

Jack Tromborg, Jimmy Fox, Gordon Sullivan.

Small Bore, 50 yds. (.22 cal.)

Jimmy Fox, George Archer, Al Speers.

Trap Shoot

Jack Tromborg, Al Speers, George Archer.

Prizes for these events consisted of first place trophies and second and third place medals.

The club's small bore team is now in the process of forming. They have the use of a fine indoor range twice a month and are planning on joining the National Rifle Association in the near future.

Any person interested in joining the club can contact Jimmy Fox, 257 Woodrow street, or phone DE 3-7222. Fox will answer any questions and tell you when the meeting will be held.

The club has a rifle team, trap team, small-bore team, surf casting team, initiation team, largest deer head trophy of the year, largest striped bass of the year and other such activities. The state champion liar is also a club member, so there is always a good fish story floating around.

The Idler, published in 1758, stated that "the trade of advertising is now so near to perfection that it is not easy to propose any improvement," according to the Encyclopaedia Britannica.

Joseph Levee Adds Paints, Electrical Supplies To Store

Still growing is the Joseph G. Levee Company, 6789 Mission St. which this week added a complete line of Boysen Paints and electrical supplies to their store. This week the company is giving away free a small can of Boysen Paint and a 1-2 pint can of Beacon nonrubbing wax to their customers.

The shop opened last April featuring plumbing and heating, then later added a hardware department.

Store hours are from 7 a. m. to 6 p. m. Monday through Thursday and from 8 a. m. to 9 p. m. Friday and Saturday. Sundays the store is open from 8 a. m. to 1 p. m.

Competent plumbers are at your service 24 hours a day simply by calling JU 5-0101 during office hours and DE 3-5963 for night emergencies.

Mossi Takes Mound In All-Star Game Monday Night

Daly City's pitching pride, Don Mossi, will be the ace pill tosser in the California state baseball league all-star game Monday.

With 13 wins behind him as pitcher for the Bakersfield Indians, Mossi will try to add another scalp to his belt when he steps on the mound at San Jose Monday night. But regardless of the outcome, it appears almost certain that Mossi will someday be making news for professional ball on the coast.

The son of Mr. and Mrs. Lou Mossi, 263 Station Ave., is best remembered here for his four years of work with the Colma Boys Senior club. During those years he lost but few games, and helped to make a name for his team.

While they won't be on the field, many of his former team mates will be rooting for Mossi Monday night. Members of both the junior and senior clubs will be in the grandstands putting the "double whammy" on Mossi's opponents.

For those who can't attend the game, the Daly City boy's feats will be broadcast over station KXRX, beginning at 8:15 p. m.

As a precaution against cheating, medieval butchers were not allowed to sell meat by candlelight, according to the Encyclopaedia Britannica.

Woodrow Wilson PTA History

(This is the fourth in a series of articles reviewing the history of the Woodrow Wilson PTA.)

1937-1938—The by-laws of the Woodrow Wilson PTA were rewritten and adopted during this year in which Mrs. Grace Hill was president.

A dinner was held in the school on "Father's Nite." Student aid work was again emphasized. The unit participated in the community Christmas tree party. Life membership was awarded to Mrs. Frances Rickman.

Membership during the year totaled 103 members. A "Founder's Day" and teachers luncheon was given. State awards received by he unit included the program award and the standard association award and the state poster contest. Mrs. Hill was delegate to the CCPT convention in Pasadena.

Officers that year included: Mrs. Grace Hill, president; Mrs. Julia Peterson, vice president; Mrs. Lillian Thomey, recording secretary and Mrs. Martha Linden, treasurer.

1938-1939 — Seventy emblems were awarded to the swimmers completing the swimming course at the Jefferson high school sponsored by the Woodrow Wilson PTA. The annual thrift sale and monthly whist party was held to further student aid work.

Christmas and graduation parties were held. Mrs. Pearl Jones was recipient of the life membership pin. A founder's day program and the teachers luncheon were held. Membership was 100.

A state program award was received by the unit. Mrs. Louise Laston and one delegate attended the CCPT convention in San Francisco. Two scholarships were awarded to graduating seniors.

Officers servinb that year were: Mrs. Louise Laston, president; Mrs. Lillian Thomey, vice president; Mrs. Martha Linden, recording secretary and Mrs. Emma Sorg, treasurer.

TIME AND SPACE

Traffic dangers loom up instantly, but no driver can stop his car instantly. Driver reaction time plus braking time add up to precious seconds consumed in an emergency, points out the California State Automobile Association. Drivers should always allow for the time and space needed for an emergency stop.

D. C. Hardware Now Open Again

Reopened for business Monday was the Daly City Hardware store, 6309 Mission street. The store had been closed while its owners, Mr. and Mrs. E. J. Nensteil and their son Mervin of 228 Hillcrest boulevard were vacationing at Feather River.

Mr. Nensteil seemed a bit disappointed at catching "only 25 or 30" fish, while his wife seemed contented with her one.

Becker And Ghiotti Headed For Altar Early Next Month

Wedding bells will ring August 7 for Attilio A. Ghiotti, 74 Gambetta street, and Miss Bette O. Becker of Oakland.

Miss Becker is the daughter of Mr. Fred Becker of Santa Rosa. Ghiotti is the son of Mr. Dominic Ghiotti, 74 Gambetta street.

Born and reared in Daly City, Ghiotti is a graduate of local schools and a member of numerous fraternal organizations. At present he is employed in a San Francisco liquor importing house.

Following the wedding, a reception will be held at the California club in San Francisco. The couple will honeymoon in southern California and Mexico.

Advice On G-I School Training Given Vets

Planning to go to school under the G-I Bill or the state assistance program this fall?

If the answer is yes, it is advisable to take prompt action to get necessary papers in order. This is the advice of Floyd D. Granger, veterans service officer.

Nearly all of the preliminary documentation can be handled during the summer months. Waiting until registration time in the fall means getting caught in a rush and may mean delay of subsistance checks.

Those interested in the state assistance program is now growing, as G-I time runs out. To be eligible for $40 a month, and free tuition and books, a student must have been a resident, or entered the service in California.

TWO DALY CITY BALL TEAMS SCORE VICTORIES IN SUNDAY LEAGUE GAMES

BOYS' CLUB TEAM UP THREE TIMES, DOWN THREE TIMES

Down on their luck, but not at the mouth, are the members of the Daly City Boys' Club baseball team today.

In their last three games, the boys have battled it out only to lose by one heartbreaking point.

The last game with Fort Baker was lost by the score of 6 to 5. Charles Donley, pitcher for the club, developed a sore arm in the eighth inning and was relieved by Sheehan. During his time on the mound Donley had six strikeouts.

During the game which saw Daly City get seven hits to Fort Baker's 15, John Spinetti and Hatchel proved themselves ball players jn the best sense of the term.

In an earlier game with the Tiberon Reds the boys lost out 7 to 6. This same score was repeated in a tussle with the San Francisco Cabbies.

After the final ball was pitched Sunday, two of the three Daly City teams walked off the field with a victory.

Holding on to their third place standing in the Class B American League, the Colma Junior Boys Club pressed the Borello's Cleaners, 7 to 0. The Senior Boys Club won its ninth straight game by trouncing Gordon Realty 11 to 7.

Although they are still in a four way tie for first place in the Class A National League, the Daly City Blues were just 10 runs from winning a game with Visitacion Valley. The Valley boys proved 13 was still lucky for some ballplayers, and came up with a final score of 13 to 3.

One hit short of a shutout game was pitched by Henry Morgan for the junior boys club. The game was so quiet that the fielders might well have been in the grandstands.

It was a little closer with the senior club. Up until the eighth inning, the club was leading Gordon Realty by only one run. Then Lunghi stepped up for the Daly City club and drove in three runs. That was the game.

But all the credit can't go to Lunghi. Rico Ottonello fired the ball across the plate with speed and accuracy. Despite the batting reputation of the realty club, Ottonello held them down to 11 hits. Pitcher Zorich proved too much for the Daly City Blues, holding the boys down to but one hit. This was the first loss for the Blues.

The schedule for this Sunday is: Daly City Blues vs Loop Bowl at Jackson field at 2 p. m.; Colma Boys Junior Club vs Joe's Grocery at Jefferson field at noon; Colma Boys Senior Club vs Foster Lunch at Marchbanks Park, noon.

Leo Bottini Has Returned Home

Home frrom the war today is Leo Bottini, an infantryman, killed in action June 13, 1945.

A full military funeral was given the 20-year-old son of F. Bottini, 201 Price street. He was buried in the National Cemetery, San Bruno.

Death came to Bottini as he attempted to rescue a comrade from Japanese machine gun fire on Okinawa. For this brave attempt he was awarded the Bronze Star Medal.

A radioman in the infantry, Bottini entered the army August, 1944. He was seven months overseas before his death.

A graduate of Jefferson high school, Bottini was working with his father in the poultry business, 7339 Mission street, before he entered the army.

Surviving the young soldier are his father and two sisters, Mary and Sylvia.

ANGLERS ON MATTOLE RIVER REPORT "LUCK"

Trout anglers along the Mattole River in Humboldt County have been taking fish during the past few days and the fish have all been quite sizeble, reports the National Automobile Club. Those using flies and spinners seem to be having the best luck.

Happy Birthday!

Beginning another year in their three score and ten next week will be 12 persons n Daly City and Colma. To those who note the day with a party or with a "growl," Harry wishes a happy birthday.

Names on the birthday list next week include:

July 15, Ronald Moon, No. 1 Garden Lane.

July 16, Mary F. Hall, box 451, Colma.

July 17, Dorothy Sowin, 1663 Sweetwood; Judy Ordonez, 915 San Pedro Road.

July 19, Wayne Moon, No. 1 Garden Lane; Mrs. Virginia Stanley, 343 Citrus; Fred Biagni Jr., 266 Hillcrest.

July 20, Mrs. Lois Haley, 72 Market; Marion Wright, 1824 Louvaine.

July 21, Judy Grazzani, 28 San Pedro road; Mrs. William Buneman, 912 Washington street; Mrs. William Reynolds, 169 San Mateo avenue.

POINTERS FOR LONG DISTANCE CALLERS

How you can save money on your cross-country calls—and help us give you still faster service

1. **Even before you call,** you can start getting the most for your money. It's a good idea to make a list of the things you want to talk about. A few handy notes can help make sure you won't think of something you really wanted to say—after you hang up. Experienced long distance users keep paper and pencil at the telephone and make notes while they're talking, too.

2. **When you place your call,** you can save time all around if you give the information to your long distance operator this way: First, the name of town you're calling...then, the number if you know it, or the address. (Good idea to keep a list of the out-of-town numbers you call most frequently.) Next, if it's a person call, give the name of the one you want to talk with. The operator will then ask your name and number.

3. **When you complete your call,** be sure to hang up promptly—and properly. If you remember to use these pointers every time you call long distance, you'll be certain of getting the most from your call for the least money. With really efficient use of the telephone, you can pack as many words into a three-minute conversation as you can in a letter—and you'll get an answer to your questions right away.

4. **Wise use of the telephone**—either local or long distance—helps you get the greatest value from it. And service is constantly growing more valuable. A local call is still just a few pennies. And you can make a daytime station call from coast to coast for only $2.50, plus tax.

Your telephone is one of today's biggest bargains.

The Pacific Telephone and Telegraph Company

TRAFFIC COURT

Not only paying for gas and oil this week, 33 motorists also pushed various sums across the counter for traffic violations.

Again, speeding seemed to be the most popular type of violation. Trying to beat a red light and cruising through a pedestrian zone filled with pedestrians are two other reasons why the city has more money this week.

Those who payed fines for speeding include: Alfred Cerles, $7.50; Robert E. Delong, $7.50; William H. Drescher, $7.50; Mae Fitzgerald, $2.50; John F. Gebhardt Jr., $7.50; Lester Grimm, $7.50; Genevieve Jacobs, $5; Frank L. Leitner, $7.50; William K. Lonne, $7.50; Joseph G. Mifsud, $5; Lenora U. Miller, $7.50; Sarah Miller, $10; Robert L. Mize, $2.50; John J. McMenamin, $2.50; John McDonnel, $7; Joseph L. Patterson, $10; Emma Tietze, $; Evangeline G. Warren, $5; Omar Whitehead, $7.50; Patricia Young, $5.

Failing to see red, the following drivers paid for going through the wrong light: Raymond J. Sordelli, $1; Victor Canuts, $2.50; William Carey, $2.50; Robert W. Fogleman, $2.50; Robert E. Johmor, $2.50; John W. Strait, $2.50.

Failure to give a pedestrian the right-of-way cost the following motorists money: Harley A. Boltz, $5; Mary Eggen, $5; Walter Gedry Jr., $5.

Parking in the wrong place was expensive for: Emilio Abrami, $2.50; Aubrey C. Davis, $2.50; Joseph J. Streckfuss, $2; West Coast Ind., $2.50.

CDA Plans Fete

Plans for the 19th birthday celebration of Court St. Mary, No. 1155, Catholic Daughters of America, were made by members at their meeting last Thursday night. The celebration will be held on Thursday, July 21.

Valeta Ennis, vice regent, presided at the meeting in the absence of the Grand Regent, Elizabeth Wettstein, who is vacationing in Mendocino county.

Katie Core, social chairman, had charge of the refreshments. Evelyn Weckerle assisted her.

Folk dancing was enjoyed by the members after the meeting.

"THE CAR OF THE FUTURE"—That's what they called this unconventional-looking automobile at the Oakland, Calif., Auto Show. Above, model Sherry Stevens steps into the teardrop-shaped vehicle, which has four independently sprung wheels set in a diamond shape. The wheel arrangement gives it a turning radius of 12 feet—about half that required by a standard auto. Only drawback to the "Car of the Future" is its building cost—$5000, not including labor.

"Coaster Derby" Plans Progress As Day Of Race Is Moved Up To August

Take out the hammer and saw, a few boards, four wheels, and plenty of ingenuity and enter the Broadmoor Legion post "Coaster Derby."

Open to all youths between the ages of 11 and 15 years, the derby will be run off August 28. The date has been moved up from July 30, so that everyone will have plenty of time to build a racer.

While any type of car, without the benefit of a gas engine, may be entered in the race there are certain rules and regulations the builder must follow. Chief among these is that the racer must be equipped with a set of standard wheels and axles, approved by the National Soap Box Derby.

The standard wheels may be purchased from any of the members of the Legion Post. In case the entrant is unable to afford the expenditure, it may be possible for him to receive the backing of some local merchant. Further information on this will be published at a later date.

Races will be run on "Broadmoor Down" (87th street hill). Three cars will be in each race, and winners of each heat will run off for first, second and third places.

With the list of prizes growing, it looks as if all the winners may walk off with some valuable new asset. Prizes will include savings bonds, trophies, sporting goods, clothing and other valuable items.

For those who need the help of their parents, there is a provision in the rules for even this assistance. In fact, parents are urged to give advice, but not actual manual labor, to their sons and daughters who enter in the big race.

Plans and information on different types of racers may be had by calling on the following men: Larry Green, JU 4-8543; Arley Hood, DE 3-4598; Sam Chesky, JU 5-8803; Bob Smith, DE 3-5948; Ray Flanagan, JU 5-3649; Ray Logan, DE 3-9899.

Edgewood Group In Civic Work

What is the "Edgewood Terrace Civic Association?"

Answered by a member — the organization is mainly an improvement group. It is a small, active and well organized association that functions for the benefit of the whole community.

"The group wants to put your front room and back yard discussion of civic affairs where they will do some good," a spokesman said.

By using the association as a "filter" of back yard talk, it is hoped that citizens of the Edgewood Terrace and Hillside Manor will have an active voice in city and county departments.

As this is a civic organization with aims and purposes beneficial beyond its geographical limits, everyone is asked to attend the group's regular meetings.

The meetings are held in the city council chambers on the last Tuesday of every month at 8 p.m.

Harry's White House Renovation Changes Back of $20 Note

No that $20 bill isn't a counterfeit, the picture of the White House has merely been brought up-to-date.

The design heretofore used on the reverse side of the bill has shown the south front and grounds of the president's home as they appeared in 1929. The new engraving was made from a photograph of the house south front and grounds as they are today.

The new 1949 Studebaker Champion five-passenger Starlight coupe retains its position as one of Raymond Loewy's outstanding automotive designs. Among its many advancements is a new interior luxury featuring two-tone contrasts between the upholstery and the side walls and head-lining. Instrument panels and window reveals, as well as steering wheels, are colored to blend with the new upholstery. Champion engine performance has been stepped up through the adoption of a new carburetor and changes in the valve lift and intake manifold.

EDUCATION COSTS IN COUNTY SCHOOL SYSTEM ARE UP

Teaching "Johnny" reading, 'riting and 'rithmatic cost San Mateo county tax payers 30 to 60 per cent more last year than the year before.

These figures were released recently by the California Taxpayers' association. They are based on a study of costs of 317 elementary school districts in California.

According to the association, the increase for 1947-48 over those for 1946-47 directly reflect the 50 per cent increase in state support for elementary schools. This measure was approved by the people in November, 1946. Under that increase, state support of elementary schools went from a fund of $80 per pupil to a fund of $120 per pupl.

Current spending per pupil in attendance for the Burlingame district went from $144.43 for 1946-47 to $223.12 for 1947-48, the association claims.

Other jumps in various districts are: Jefferson, $109 to $134; Menlo Park, $109 to $159; Millbrae, $137 to $140; Redwood City, $109 to $136; San Bruno, $104 to $145; San Mateo, $123 to $153; South San Francisco, $145 to $141.

The association gave no explanation why the costs in the South San Francisco area dropped instead of increased.

S.F. 1949 State Fair Exhibit Will Feature Port

The Port of San Francisco will be featured in the City and County of San Francisco exhibit at the 1949 California State Fair at Sacramento, September 1-11.

Chief Administrative Officer Thomas A. Brooks, who has charge of the exhibit for the city, made this announcement today, stating the exhibit would emphasize 100 years of the port's service to California and the nation.

The subject selected is in accord with the Centennial theme of this year's State Fair and at the same time supports the intensive campaign of the Board of State Harbor Commissioners, local shipping interests and waterfront workers to build business for the port.

The central portion of the exhibit and its outstanding attraction will be a re-creation of the San Francisco harbor of 1849 in a diorama 52 feet wide and 22 feet deep, showing a forest of sailing ships moored in the Bay against a background of the city as it existed then, the reproduction being faithful to old pictures and authentic records.

The vessels rocking in the simulated Bay will be actual ship models, 39 of them, re-creating down to the smallest detail the famous sailing ships of 100 years ago which brought the Argonauts of '49 to California's shores. They are the painstaking work of a noted model builder, Peter Owler, retired ship captain, and together constitute one of the finest collection of ship models in the country. The city has leased them expressly for the exhibit.

The contrast between the tiny port of 1849 and the modern port of 1949 will be illustrated by a spectacular photographic mural of the entire present waterfront from China Basin to the Golden Gate Bridge as seen from the air. Located directly above the re-created port of 1849, this mural will be 32 feet long by six feet high.

Women Of Moose Will Meet On July 20

New Senior Regent Vivian Lasko presided over the last meeting of the Women of the Moose, Chapter No. 739 of San Francisco. The large attendance showed that the co-workers are all working together for a prosperous year.

The chapter will hold their regular meeting July 20. The officers will be in charge of the class initiation. Treasurer Dorothy Sciacca will be chairman for the evening.

On July 27 the officers will meet at the home of Chaplain Irma Heyberger.

County Savings Bond Drive Almost Over Top

Almost over the top, San Mateo county has purchased 93 per cent of its goal in the U. S. Savings Bonds "Opportunity Drive."

Sales of bonds in the county to date total $832,023, Harold R. Stone, state director, said. All series "E" bonds purchased thru July 16 will count toward the county's total.

Bonds may be purchased thru payroll savings plans, bond-a month bank plan or the post office.

Local Man Attending FBI National Academy

Taking special F. B. I. police training in Washington D. C. today is Everett S. Heagney, 117 Miriam street.

Heagney was the only member of the San Mateo sheriff's department to enter the national academy. During his three months in Washington the deputy sheriff will study all the latest developments in scientific police work.

Argentina produces 24 per cent of all electrical power used throughout Latin America.

ROOKIE SENSATION — Dino Restelli, 24-year-old rookie who recently graduated from the San Francisco Seals to the Pittsburgh Pirates, shows the batting stance which has already brought him acclaim. In his first 10 trips to the plate, the promising young outfielder manufactured six homers, and 14 hits out of 40 times at bat.

Altar Bound Couples Last Month Fewer Than Year Before

Less active with his bow and arrow in San Mateo county last month than in June 1948, Dan Cupid sent 174 couples up the aisle.

This compares with 184 marriages in the county for June 1948, according to the monthly report of Ruth Kirste, assistant county recorder.

Fees for various services were up last month as compared to the year before. The fees totaled $12,674.45 to last year's $12,665.65. This money came from the handling of 4,871 documents.

Veterans Weekly News Column

Veterans Administration spends millions of dollars each year trying to establish the identity of veterans who write the 10,000 "mystery letters" received by the VA every day.

"Mystery letters" are those in which the veteran fails to include sufficient information to identify himself among the 24,000,000 persons whose names are in VA's master index file.

The VA receives 125,000,000 letters a year and many of them are simply signed "John Smith." There happens to be 217,000 Smiths in VA files and 12,500 of them are named John. There are also 170,000 Johnsons and 110,000 Millers.

In order for "John Smith" to become an individual to the Veterans Administration he should use the service number assigned him while in the armed forces and in addition his VA claim or insurance number if he has one.

A veteran who wishes fast action on his letter to the Veterans Administration should include his full name and address, date of birth, service number, branch of service and VA claim or insurance number.

The letter which does not contain the claim or insurance number must go to the master index file where the identity of the writer is established through his service number. This results in delay in answering the letter.

The real "tax-eaters" are the letters which contain only a signature and VA has received thousands of them. Many contained cash for payment of insurance premiums. The letter and envelope contain nothing to identify the writer but the signature.

In these cases the postmark is cross-checked and VA's handwriting and fingerprint experts go to work. VA employees may spend hours trying to establish the identity of the writer. In some cases the identities of the "mystery letter" writers are never solved.

Question: I am an honorably discharged World War II veteran. Where may I go to secure specific information concerning unemployment allowance?

Answer: You should inquire at the office of the unemployment compensation agency in the State or Territory in which you reside.

Question: I receive compensation for a 30 per cent service-connected disability. Am I entitled to an increase because I have two dependents?

Answer: No. The disability must be at least 60 per cent disabling before additional compensation for dependents is payable.

Question: I am paying my National Service Life Insurance premium by deductions from my compensation. What will happen to my insurance if my compensation should be discontinued?

Answer: The insurance will lapse unless premiums are paid within 31 days from date when due.

A pastoral tribe near the Red Sea buried its dead by pelting the body with stones until it was covered, according to the Encyclopaedia Britannica.

8:30 p. m.— Regular meeting, Court St. Mary No. 1155, Catholic Daughters of America, Masonic temple, 17 Hillcrest drive.

Butano Wood Now Up To The State

Whether or not Butano forest, in southern San Mateo county, will be saved now depends on the state park commission.

Assemblyman Richard J. Dolwig introduced a last-minute resolution in Sacramento before adjournment to save the woods. It called upon the commission to take the park in place of "matching funds." The funds are required by state law for acquisition of state park lands.

The measure was quickly passed by both houses.

While a response is not mandatory, it is expected the commission will not run contrary to the will of the legislature. Under present plans the state would accept San Mateo county's Memorial park and Santa Cruz' Madonna park in place of "matching funds" from those counties.

OIL PRESSURE

If the pressure indicator in your car's oil gauge starts to flutter erratically, the oil supply may be getting low.

HER ROYAL HIGHNESS— Princess Margaret poses in London for her first photograph in the uniform of the St. John's Ambulance Brigade.

Learn To Cook Like His Mother; Come To Fair Culinary Class

Friend husband's marital lament, "I wish you could cook like mother," may be passe after September 1.

At least the cry will be heard less often by those San Mateo county women who attend the California state fair institute of cooking during the first week and one-half of September, Julia Lee Wright will feature recipes popular 50 to 100 years ago.

Mrs. Wright (Mrs. Julia Perrin Hindley) will conduct 55 schools during the fair, five each day. The old recipes, divided into soup, meat, vegetables, bread and dessert, will be taught.

Those cooks who have now in their possession trusted recipes of a generation ago, may stand to win a prize. Merely send the recipe to the institute of cooking, box 2036 Sacramento. It should be accompanied by a short historical sketch.

The prize winning culinary "blue print" will be used by Mrs. Wright to prepare a meal. All recipes must be submitted by August 1.

Work Begins On New USF Library

Excavation work for the new $1,300,000 University of San Francisco's memorial library is under way.

The excavation contract was awarded recently to Devincenzi and Haskin Co. of San Francisco by the general contractor Barrett and Hilp.

Expected to be completed in the fall semester of 1950, the Richard Gleeson library is part of the university's $15,000,000 building plan.

Named after a late USF professor, The Rev. Richard A. Gleeson, the library was designed by Architect Milton T. Pflueger. The building is functional and will have a preliminary capacity for 385,500 volumes and seating room for 1,290 students.

With no sustaining walls in the center of the building, there will be opportunity for flexibility. There will be four stories with a roof garden surrounding the top flight.

In the basement will be the stacks and receiving department. The first floor will have a circulation lobby, reading room, exhibit and lecture room and the library's administrative offices. Second and third floors will have stacks and reading rooms, while the fourth will have a glassed in reading room.

HOEING HIS OWN ROW—"There are plenty of good things a guy can do," says former telephone lineman Ray Burd, who lost the use of both legs during the war. The crippled veteran proved his statement by turning to farming. Above, helped by Ora Bell Jarrett, he uses a mule-drawn sled to chop cotton on the Jarrett farm near Memphis, Tenn. He still must report to a hospital every three days.

S.F. POSTAL RECEIPTS RISE

Acting Postmaster John F. Fixa today announced that postal receipts for the month of June, 1949, were up 28.3 per cent over June, 1948.

The comparative figures are as follows:

Stamp sales: June, 1949 — $1,953,620.31; June, 1948 — $1,522,234; an increase of $431,385.71 or 28.3 per cent.

Letters cancelled: June, 1949—36,032,300; June, 1948—36,748,800; an decrease of 716,500 or 1.9 per cent.

Pieces of parcel post dispatched: June, 1949—891,454; June, 1948—863,137; an increase of 28,317 or 3.2 per cent.

Pounds of air mail dispatched: June, 1949—642,815; June, 1948—596,290; an increase of 46,525 or 7.8 per cent.

Magnesium is being used in electroplating to protect metal against corrosion, according to the Britannica Book of the Year.

Indians To Whoop-It-UP For The Centennial

Miwak Indians will whoop it up this weekend as they go on the war path at Colombia, California.

But no need to hold onto that scalp or toupee. It's all part of the California Centennial celebration. The red men, who were here long before the miners came, will stage three days of "Injun" high living.

For some reason, unexplained by historians, the Miwaks were known to gold rush pioneers as "Walla Wallas." Not only is this name used in early records, but it also served as material for map makers when it came to identifying a certain Washington state city.

TROUT TAKEN

Large numbers of brown trout and rainbow trout running up to nine inches in length have been taken from the streams in the Cosumnes River watershed in El Dorado County during this past week, reports the National Automobile Club. These streams are at present in excellent condition for fly fishng.

Mrs. Harry W. Bowers New Red Cross Motor Service County Head

New volunteer chairman of motor service for the San Mateo county Red Cross chapter is Mrs. Harry W. Bowers, 1916 Adeline Drive, Burlingame.

Taking over her new job, Mrs. Bowers stressed the need for women drivers between the ages of 21 and 50 years to help in the motor service. Principal work of the drivers is to take patients from their districts to local hospitals.

As little time as one hour a week would help the motor service. Interested persons may call DI 3-4561 for further information.

S. F. Office Hears Rental Problems

Rent is high in the San Francisco area, but if that room, apartment, or house is costing some astronomical figure see Henry A. Cross.

As area rent director, Cross in his 180 New Montgomery street office may be able to help. He is the one who determines, via the laws, whether or not the landlord has the right to raise the rent.

Last month Cross' office refunded over $17,000 to tenants who had been overcharged. Of this total $10,037 represented refunds made voluntarily by overcharging landlords following investigation of 489 complaints.

During the month 254 applications for eviction were also filed at Cross' office, along with 296 copies of eviction notices. Of these 53 were found to be invalid, 162 denied, and 342 are still under investigation.

MORE S. F. STREETS PUT OFF-LIMITS FOR PARKING AUTOS

No parking signs were planted on three more downtown San Francisco streets this week.

Under terms of a new ordinance, the south side of Eddy st., Divisadero to Market is off-limits for motorists from 7 to 9 a. m. Parking is also forbidden on both the north side of Turk street, Market to Divisadero and the north side of Sutter, Market to Van Ness from 4 to 6 p. m.

Police also reminded motorists that traffic flow on Eddy and Turk streets has been reversed. Only one-way eastbound traffic is now permitted on Eddy street. On Turk, only one-way westbound traffic is now legal.

SALMON ANGLING GOOD

Salmon angling has been good lately in the Half Moon Bay area of San Mateo County, reports the National Automobile Club. Many large fish have been landed.

MARGIN OF SAFETY

Make sure that you have an ample margin of safety before attempting to pass another car on a busy highway. If another car is approaching at fifty miles an hour when you attempt to pass, you will need a clear, unobstructed distance ahead of a third of a mile.

"MISS SECRETARY"—Irene Williams wears her crown after being chosen "Miss Secretary of 1949" at the annual convention of the National Secretaries Association in Chicago. Personality, grooming, dress, neatness and grammar all counted toward her victory over 59 other contestants. She has been employed for 23 years by a Chicago bank.

TOUCH-UP PAINT

The California State Automobile Association advises keeping on hand a small can of paint for the purpose of touching up scratches in your car's finish. After touching up, allow the paint to dry and then polish. Touch-up paint to match the color of your car is usually obtainable from your dealer.

CHILDREN AT PLAY

With schools closed for the summer months, children are at play where they do not have the protection of School Safety Patrols. When driving on streets and highways, keep alert for children at play. Make it your responsibility to see that no child gets hurt.
